Sample Learning Statements

Please use these samples to guide you in writing your learning statements. These are only to be used as a guide and not to be copied and used as your own. If you require further assistance in writing your statements please don’t hesitate to contact the Coordinator at cctcoordinator@acadiau.ca.

- I have learned my organization and public speaking skills are two of my strengths. This experience has provided me the self confidence to succeed in business and the organizational skills to make sure I get there.
- I have confirmed my passion for music while understanding the importance of team work and commitment to making special events happen.
- I have learned compassion is a gift you can give to others when working with special needs children. They taught me how to be a better human being.
- I have learned that businesses start with a vision and knowledge, and that working with a smaller company can be a very important step to a successful career.
- I promoted five sporting events in the past three years which made me realize my love of sales.
- I have improved my communication skills during my experience facilitating workshops to large and small groups with the residence life program at Acadia.
- I have developed my people skills and learned to think creatively while developing social networking campaigns as part of my work with Acadia.
- I like working with technology and figuring out how it can help improve the organization I work for.
- I learned that I want to work for myself in the future – after I get more experience in my field.
